

# Smaller Weddings

... for 2 up to 45 guests

For those couples who wish to celebrate with just a few close family and friends we have designed a special package which, like all weddings at the Caleta Hotel will include the services of our dedicated team.

On arrival at Gibraltar airport the bride and groom will be warmly greeted by our chauffeur who will drive you to the Caleta Hotel in a stylish Chrysler Sebring. Your guests will make their own way to the hotel.

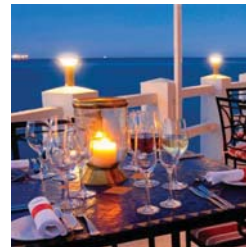

At the hotel you will be met at the door by our Duty Manager who after showing you around the hotel will take you to the Bridal Suite. Once you have settled in light refreshments and champagne will be served while you go through with our Banqueting Co-ordinator your wedding arrangements.

Hair stylist, beautician and make-up artist will be arranged for you by our team in the hotel Health and Beauty Club, the rest of the day will be at your leisure for you to relax, enjoy the hotel, your family and friends and Gibraltar. Why not book a pampering package in our Health Club, or lay by the pool and work on a sun tan sipping a cocktail or a glass of champagne?

The following morning your hair stylist and beautician will get you ready, your guests will gather in the hotel garden (weather permitting) where under a gazebo covered and ribboned chairs for you and your guests will be ready and the Registrar will be waiting for you. The bridal bouquet and gent's button hole will be provided.

After the service guests may wander around the garden where a glass of champagne will be served and after retire to the reception room whilst your photographer captures some memories for you to treasure.

Dinner is then served, depending on numbers, in our AA 2 Rosette Award Winning Nunos Restaurant, or in our dining room, both featuring spectacular views of the sea and coast land, a guitarist or saxophonist will be playing some traditional favourites during the dinner.

After dinner you and your guests may retire to your rooms to freshen up, get changed and get ready for the evening where from approximately 7.30pm the English Bar will be ready exclusively for you and your guests to enjoy a few drinks, have a dance and later in the evening be treated to a finger buffet after a few dances have stimulated your appetite. In the morning you will have a full breakfast and our chauffeur will take you back to Gibraltar airport.
